Halogen Lamps

Warm white

USPs:

- E27
- 2 Pieces per blister
- 100% Dimmable

General information:

Thanks to special technologies incorporated in this lamp, it is possible to save 30% of energy on average compared to classic bulbs and halogen lamps. This means the lamp complies to the latest European standards, valid until the late fase (2016). Furthermore this is the only halogen lamp that is 100% dimmable and has the same features as classic bulbs.
