1000 VA UPS

Max. 600 W

USPs:

- Outstanding quality
- Reliable
- Max. 600 W
- 1000 V

General information:

Prevent loss of data in case of a power failure with this 1000 VA UPS.
The uninterruptible power supply creates a buffer between the mains power supply and your PC and therefore offers you some extra time to save all your data.
