Flat Screen Wall Bracket

Screens up to 32" or max. 20 kg

USPs:

- High quality materials
- Solid mounting
- Attractive price setting

General information:

Universal wall bracket for flat screen TVs. Suitable for screens of 10-32" or max. 20 kg. The bracket is very flexible and enables you to tilt, rotate and swivel your TV. The fold function allows you to move the TV closer to and further from the wall. All these functions give you optimal freedom in where you mount your TV, since you can always position the TV to watch it comfortably from the couch. The used materials are very robust and with this bracket you'll be able to mount your TV safely to the wall.
