

Data sheet: WL-367

Product code : WL-367
 Product name : Wireless Modem Router 300N
 EAN code : 8716502022946

Use this Wireless Modem Router 300N X2 to set up a wireless home network with superior throughput and an unparalleled wireless range. This Router enables you to wirelessly share files and broadband Internet access, as well as the peripheral devices attached to the PCs in your network. Thanks to the integrated OPS technology, this Router makes it easier than ever to connect and protect your desktop PCs or notebooks in a wireless network!

Just one press of the button, and the wireless connection is established, with automatic transfer of the WPA2 security included in the Router. Thanks to the built-in ADSL modem, you can connect this Router directly to your ADSL line.
