

Article information

Product Group	Antenna Connectivity - Coax
Sub Group	Standard Series
Article Group	Cables
Number	BVL8603
Product name	Coax Video Cable
Usage	Connect wall socket to TV or Similar Device and Connect ANT Out on Device to TV
Languages	GB, DE, FR, NL, ES, IT, PT, DK, PL, SE, RU, CZ, HU, TR
Package size	3B
Qty display hook	4
CEP Price	-

Features & Benefits

USP 1	Nickel Plated contacts ensure perfect sound & video imaging
USP 2	Easy grip moulded connectors guarantee firm connection and perfect signal transmission
USP 3	Copper braiding shielded ensure no EMI /RFI interference for excellent audio & video performance

Technical info

From Connector	Coax Male
To Connector	Coax Female
Length	3.0 m 9.8 ft
Cable colour	White
Technical info	OFC solid copper conductor
Technical info	Metal braided shielding
Technical info	Signal coded colour rings on connector
Technical info	75 Ohm compliant coax cable
