

Data sheet:

Wireless Modem Router 300N X2

Product code : WLK-2500
 Product name : Wireless Modem Router 300N X2
 EAN code : 8716502023554

Connect to ADSL Internet and easily create a secure wireless network with speeds of up to 300 Mbps and a range of two floors
 With the Wireless Modem Router 300N X2, you can easily create a wireless network and share a broadband Internet connection, files and peripheral devices. A 300N USB Adapter, which you can use to easily connect a desktop PC or a notebook to the wireless network, is included. Thanks to the integrated ADSL modem, you can connect the modem router, which is compatible with all Internet Service Providers, directly to your ADSL line.

It has a range which covers two floors with wireless speeds of up to 300 Mbps. The modem router is suitable for applications such as surfing the Internet, e-mailing and chatting.

The modem router has "out of the box" security as standard with the WPA2 security protocol. Create a secure home network with just one push of the OPS (One Push Set-up) button.
