Portable LED Emergency Light 30 Super bright LEDs

USPs

- 30 super bright LEDs
- Energy saving LEDs
- Burns up to 25 hours
- Switchable

General information:

Stand-by emergency light. 30 Super bright LEDs provide you with enough light to see in case of a power failure, car breakdown or on a campsite. You can switch between HI or LOW mode according to the amount of light you need. Because of the low-energy consumption of the LEDs in this lamp, it can burn for approx. 30 hours on three LR20 batteries.
