

AB1 HTS technical data sheet

OmniMount, an innovator of A/V mounts and furniture for more than a quarter century, is the choice of professional installers and the brand most recommended by flat panel manufacturers. The AudioBasics Series speaker mounts provide flexible and reliable mounting options for small surround sound systems – all in a low-cost solution. Packaged as a 5-mount home theater system, the AB1 HTS provides convenience and versatility for mounting micro satellite speakers up to 2.5 lbs (1.1 kg).
